This winter basketball league will focus on skill development and game play over two seasons of basketball. Players will be enhanced through skill development with 30 minutes of practice time each week before game play with a team coach. Coaches will oversee the development of each player and will be part of the game action in the 1st-2nd grade league to help with ball distribution. The league is also connected to the weekly skills practices for K-4th Graders during the week.

Play Hard Hoops runs leagues in several locations and we are proud of our philosophy of teaching skills and fundamentals in an encouraging environment where kids of all ages and abilities can learn, improve and have fun!

TESTIMONIALS

"Your words of wisdom will mean a lot to him. Thank you for making a difference in his self-esteem."

"Truest mark of a successful program is that both kids independently said that they really had fun and want to play more hoops."

"I just had to let you know how much my son has enjoyed the season. He was worried he wouldn't fit in or be good enough. Well, he did fit in and was truly surprised by how well he did."
