PLAY HARD GIRLS SPRING ALL STAR LEAGUES

An old basketball saying is that players are made from March to October as those that continue to work on improving their skills and fundamentals in the offseason will come back different players the next year.

Play Hard Hoops worked with over 450 kids in winter leagues throughout Chicago! Join the Fun in 2017 with the 2nd Annual Play Hard Hoops Spring All Star League for girls and another great opportunity for young hoopsters to improve and have fun playing basketball.

TESTIMONIALS:

“My daughter (8 yrs) took a thursday evening basketball class with Playhard Hoops at windy city. Are you going to be providing the same type of class this fall? I hope so - she loved it!” - Molly Luthman

“Thanks for an incredible week of basketball last week. She was so enthusiastic about what she had learned and her accomplishments on the court. Every day thereafter it just got better. The skills she learned built upon themselves daily. You've got a great program and it's refreshing to see an instructor weave the character component into the game along with the skills/drills. To do all that and make it fun is no easy task I'm sure, so thank you for your dedication, hard work and commitment to the kids.” – Michelle Francisco
