

PHH SUMMER CAMP – Policies and Procedures Summer 2020

We appreciate your choosing Play Hard for a summer basketball camp. While camp will be different this summer we have worked hard to adjust to this new normal with restrictions and safety. With that in mind, below is a detailed description of the steps we will be taking to resume our programming at facilities this July. We will be adhering to safety guidelines outlined by the State of Illinois and our home facilities. While the protocols from facilities can be different, here are consistent safety procedures we guarantee PHH will be taking:

PROGRAM INFORMATION/SAFETY PROTOCOLS

- We will be separating groups on 2 courts with no more than 12 - 16 players on any court depending on size of the court
- Please note that groups will be kept together for the duration of the camp. These groups will be age and grade appropriate
- Players will not be permitted to participate without a signed updated liability waiver provided by Play Hard Hoops; NO Exceptions
- Players will not enter gym without a temperature check from non-contact thermometer
- Players will enter and exit gym with a mask and must wear a mask in the bathroom of the facilities.
- Players will be given specific spot in facility to place personal items for social distancing
- Players will be given an instructional spot on the court that will also maintain social distance. This spot will be used for listening and watching coach instruction as well as stationary drills (Facility protocols determine if participants need to be masked in instructional spots, but these will be socially distanced spaces)
- At all times if players cannot be guaranteed to be social distanced on the court, players will need to be masked. PHH will not run drills more than 5 minutes without a break and will constantly be monitoring kids while being in masks for their health & safety
- Players must bring their own basketball clearly marked by name. A 28.5 sized basketball is appropriate size for entering 2nd-5th grade players. An Official sized basketball is appropriate size for entering 6th-8th Grade
- Players must bring their own water bottles clearly marked by name – please pack enough water as water fountains will not be in service (Many facilities do not allow for Gatorade on the courts)
- PHH coaches or facilities will have hand sanitizer, but is appropriate for players to bring their own
- PHH Coaches will maintain social distance from the participants and will not high five or come in contact with players. We will expect players to maintain their social distancing with the coach. Coaches also will wear a mask when off the court not during activity and at any time there is hands on instruction with participants.

**PHH WEEKLY SKILLS PROGRAMS WILL NOT HAVE COMPETITIVE GAME PLAY,
CONTACT DRILLS OR SHARING OF EQUIPMENT**
